Drivers Training Evaluators Form

Driver's signature: _____ Date of evaluation: ____/____/____

Evaluator's signature: _____ Apparatus number: _____

Mileage: Begin _____ End _____ Total number miles driven: _____

Start time: _____ Finish time: _____ Total Road Time Driven: _____

Weather conditions: _____ Road surface: _____

Type of evaluation: (Circle one) Initial Final

Above operator has successfully completed drivers training evolution and understands fire department policies and procedures on emergency driving. Operator has completed drivers training checklist with all satisfactory marks. Any marks in needs improvement box shall be documented on this form and must be improved to satisfactory level by same evaluator before final evaluation.

Any unsatisfactory marks shall be documented on this form and the training chief shall be notified. The driver will not be permitted to participate in the drivers training program until a formal evaluation of the unsatisfactory items listed below, and must complete remedial training of listed items with an assigned drivers training coach appointed by the training chief.

Comments:

This form along with a completed training report shall be placed into Lt. Tanner's mailbox to be filed into the drivers personnel file.
